

*preparing tomorrow's
leaders today!*

Nominate a distinguished Student

and put them on a path of

LEADERSHIP *Unleashed!*

An opportunity unlike any
other in the country!

Most students in early high school take advantage of an opportunity like Youth Corps because someone they know comes along beside them and encourages them to get involved. If you know of an outstanding **rising 9th or 10th grade student** who has strong leadership potential and would benefit from the Youth Corps experience, then please fill out this nomination form and either mail it or fax it back to us and we will make sure we get in contact with them. Our address, fax, and email are at the bottom of this page. **Please submit nomination forms by March 1, 2012.** You can find out more about Youth Corps by going to our website at www.youthcorps.net. You can also make copies of this form. Thank you!
